

**Examination and registration periods for the  
full-time English-taught Bachelor's degree  
programmes at Gütersloh Campus<sup>1</sup>**

Industrial Engineering B. Eng.  
Mechatronics and Automation B. Eng.

Semester	Registration period	Examination period
<b>Summer Semester 2026</b>	17/08/26 – 02/09/26	21/09/26 – 02/10/26
<b>Winter Semester 2026/2027</b>	09/11/26 – 22/11/26	02/01/27 – 09/01/27
	15/02/27 - 03/03/27	22/03/27 – 03/04/27

De-registration rules:

- De-registration without providing reasons is possible in LSF up to **one week** before the respective examination date.
- Subsequent de-registration is only possible in the event of sickness. In this case you have to hand in an **official form** completed and signed by a doctor. You can download the form the doctor has to sign here: <https://www.hsbi.de/studium/ruecktritt-modulpruefung> (down on the left under downloads). Please send the completed form to the **examination office of Gütersloh Campus** <https://www.hsbi.de/studierendenservice/studierendenservice-fuer-den-fachbereich-campus-guetersloh>.
- Examinations from which the student has not de-registered within the prescribed deadline will be graded as 5.0 (failed).

---

<sup>1</sup> Note: This overview only applies to the full-time (non work-integrated) programmes. The examination periods for the work-integrated programmes can be found in the overview for work- and academic terms as well as the re-examination phase overview in the download-center of the degree programme websites.
