PROGRAMME

22 OCTOBER 2026, 3.30–5.30 P.M.

Get Things Done: Manage Your Study Life Through Smart Organisation

Join Lina, a Data Science master graduate now pursuing her PhD, who knows the struggle of juggling her studies and working on the side. She will share self-management tricks that actually work. Start your own organisation journey with practice strategies that help you managing everything – a key skill for your studies and future career.

29 OCTOBER 2026, 3.30–5.30 P.M.

Learning Germany: Students Helping Students

International students face many struggles – like how to study for exams, find a job, or learn German. International student assistants Treasure and Michael know these struggles all too well and have been through this hard part. In their session they share their stories and experiences, show you short cuts that worked, and give advice on how to find a student job in Bielefeld.

5 NOVEMBER 2026, 3.30–5.30 P.M.

Learning in Higher Education

Learn how to plan your academic learning and prepare for exams effectively. In this workshop, Ulrike Rehm from HSBI's own Student Advising and Counselling Service will show you strategies to create study plans, manage and memorize learning materials, and avoid last-minute stress.

12 NOVEMBER 2026, 3.30–5.30 P.M.

Kickstart your Career: How to enter the German Job Market

Join Sandra Bolesch, a career coach for international students, as she shares insights on how to successfully enter the German job market. Learn about labor laws, job opportunities, networking strategies, and tips for crafting application documents and acing interviews.
