**Please note:** the information provided here reflects our current knowledge and is without guarantee. The scope of the English-language course offers, the required language level etc. may vary each year.

\*\* No fixed number of exchange places.

<sup>1</sup> Students from all business-related degree programmes (Business Administration, Information Systems Management, Business Law etc.) are generally eligible to apply for collaborations focusing on "Business and Administration" or "Economics." Whether sufficient courses are available for credit transfer within the respective degree programme should be researched at the partner university or clarified with the relevant programme director at Bielefeld University of Applied Sciences (HSBI). Cross-faculty course selection is possible to a certain extent at many universities. You can obtain more detailed information from the partner university or the International Office at HSBI.

## **Work-integrated studies**

Please find information about study abroad opportunities within the [work-integrated](#) study programme on [our website](#).
