**Please note:** the information provided here reflects our current knowledge and is without guarantee. The scope of English-language courses, required language levels etc. may vary each year.

<sup>1</sup> Whether enough courses are available for credit transfer to the respective degree programme should be researched at the partner university or clarified with the respective programme director at Bielefeld University of Applied Sciences (HSBI).

Cross-faculty course selection is possible at many universities up to a certain limit. You can obtain more detailed information from the partner university or the International Office at HSBI.
