

What is the Center for Entrepreneurship?

The Center for Entrepreneurship (CFE) is the central point of contact for topics relating to innovation & entrepreneurship at HSBI - no matter where those interested in founding a company are at the moment - we provide advice, support and training at every stage of the start-up idea.

Committed supporters (e.g. as mentors) are also always welcome at the CFE.

Simply get in touch with us, visit us digitally on social media or in person at our location in Kurt-Schumacher-Straße.

We look forward to meeting you
